Dear Sisters and Brothers,

Your Bargaining Committee met with the Company today and presented several proposals on benefits and FFI. The Company will review the proposals over the weekend, and we plan to meet again next week.

We will continue to keep you informed as negotiations progress.

Thank you to everyone who participated in last night's Town Hall call. We appreciate your time and engagement.

Answers to the questions that were not addressed during the call will be posted shortly on the Union's Facebook page.

Participate in all mobilization activities, Informational Picketing on Tuesday and Thursday in front of your work areas. This is the most visual thing we can do. If you have not been receiving notices about the mobilization activities please reach out to your UD or AVP.
