

## Bargaining Report #2

June 23, 2026

Dear Brothers and Sisters,

Today we met with the Company for a morning and afternoon session. The Company started the morning session discussing the fiber build out and their goals for the future. The Union came prepared and passed proposals emphasizing the importance of growing the bargaining unit and job security. We emphasized to the Company that to reach their fiber build out goals they need a solid adequately sized workforce. We spent the rest of the day reviewing the Company proposals and the impacts to the bargaining unit.

Remember to wear red on Thursdays and sign up all non members. Change your profile picture on slack to a CWA logo. A wall of CWA logos across our communication platforms sends a message "We are paying attention, we are organized and we stand together!"

In solidarity,

Your 2026 Bargaining Team
