

Bargaining Report # 23

July 24, 2026

Sisters and Brothers,

The Bargaining Committee has presented all Union proposals addressing our members' needs, as identified through member surveys, and has responded to every company proposal.

A path forward remains to close the gap before our contract expires on August 1, 2026. We remain focused and committed to securing a fair and just contract for our members.

We still need your feedback! The company passed a proposal, so that we can make an informed decision, the committee needs to know how many members have student loans. Please click on the link below to fill out the Student Loan Survey.

This week's Mobilization activity is to take a picture of yourself holding a sign in support of bargaining and email it to Shawnapena72@yahoo.com. Do not use your company phone, computer or company email to send this. Example phrases have been emailed to your Unit Directors. Sign up **ALL** nonmembers. Change your profile picture on Slack to a CWA logo if you have not already done so.
