

Frontier Bargaining Report #28

August 4, 2026

Dear Sisters and Brothers,

Your Bargaining Committee met face-to-face with the company today. There is still significant work to do to reach the fair and just agreement that you deserve before our current agreement expires on **August 8, 2026**. Your Bargaining Committee remains committed to fighting for a strong contract and will continue to push the company to address our key issues at the bargaining table.

Participate in all mobilization activities, including sending letters to your supervisors, and sign up all non-members.

We will keep you informed as negotiations continue. Thank you for your continued support and solidarity.
