

Frontier/Vz Bargaining Report #29

August 5, 2026

Dear Sisters and Brothers,

Your Bargaining Committee met with the company multiple times today, some progress was made but unfortunately there are still significant gaps on several critical issues that impact every work group. Tomorrow, we plan to meet with the company in hopes to close some of those gaps.

Your Bargaining Committee remains committed to negotiating a fair and just contract for all members. There are only **three days** remaining until our contract expires, it is more important than ever that we continue to [stand together and demonstrate our Solidarity](#).
