

Frontier/Vz Bargaining Report #30

August 6, 2026

Dear Sisters and Brothers,

Your Bargaining Committee met with the Company multiple times today, and we made movement at the bargaining table. While progress has been made, there is still significant work to be done on wages and benefits.

With only **TWO DAYS** remaining until our contract expires, your Bargaining Committee remains fully committed to negotiating a fair and just contract for every member.

Now, more than ever, it is critical that we stand together and demonstrate our solidarity. We have come this far because of our unity, and we will continue to fight for the contract we deserve.

The strike authorization vote results are in, and the response was overwhelming: 95% voted YES!

Thank you to every member who participated and sent a strong message to the Company. Your support gives your Bargaining Committee the strength and leverage needed at the bargaining table.

Stay united. Stay informed. Stay ready. Together, we are stronger.

In Solidarity,
Your 2026 Bargaining Team
