

Frontier/Vz Bargaining Report #31

August 7, 2026

Dear Sisters and Brothers,

Our contract expires tomorrow night.

Make no mistake, this is a critical moment. The Committee met with the Company but no significant progress was made to close the gap on the essential items. We are scheduled to meet with the Company tomorrow morning in an effort to close the gap and bring in a contract that is beneficial to the membership.

Your Bargaining Committee remains focused, determined, and committed to fighting for a fair and just contract for every member! We are not settling for a contract that is nothing less than what you deserve!

Stay Safe and Work to Rule!

In Solidarity,

Your 2026 Bargaining Team
