

Bargaining Report # 33

September 10, 2026

Dear Sisters and Brothers,

As your Bargaining Committee, we want to start by saying THANK YOU!! to each and every one of you who stood on the picket lines and sent text messages.

By doing so, you are sending a clear message to the company: we will not settle for the scraps from their table, and we will not settle for healthcare rates that they consider “fair,” as Rick Carpenter stated.

But the fight is not over.

Your Bargaining Committee will be meeting with the company again to present proposals addressing healthcare, wages, and job protections.

We need everyone to stay engaged and stand together. Our strength is in our solidarity.

Be on the lookout for an email or GroupMe message from the Mobilization Committee with details about tomorrow’s mobilization activity.

Thank you for standing strong. The fight continues! 🙌

Stay Safe and Work to Rule!

In Solidarity,

Your 2026 Bargaining Team
