

Bargaining Report # 41

October 2, 2026

Dear Sisters and Brothers,

Your Bargaining Committee met with the Company today. No new proposals were exchanged by either the Union or the Company.

We continue to review the three existing proposals presented earlier this week as we prepare to meet with the Company again next week.

We remain committed to securing a Fair and Just Contract.

Participate in all mobilization activities, Informational Picketing on Tuesday and Thursday in front of your work areas. This is the most visual thing We can do.

Stay Safe and Work to Rule!

In Solidarity,

Your 2026 Bargaining Team
