Bargaining Report #43

October 27, 2026

Dear Sisters and Brothers,

Your Bargaining Committee met with the Company today to discuss wages and benefits. The Company continues to insist that the wages and benefits included in the tentative agreement are fair and reasonable. THEY ARE NOT!

We deserve a fair agreement that reflects our hard work, dedication, and the value we bring to this Company every day.

The stronger we stand together, the more pressure we can put on the Company to make meaningful improvements to wages and benefits. Now is the time to stand united, make your voices heard, and show the Company that we will not settle for less than we deserve.

Together, we are stronger. Together, we can make a difference!

On October 29th, at 6:30 pm, Local 6171 President Travis Pirotte and District 6 Vice President Derrick Osobase will be holding a Townhall call to update the membership on where the negotiations are with Verizon and the plan to build leverage to push the Company for a better contract!

WE ARE ASKING ALL MEMBERS TO REGISTER FOR THE CALL PRIOR TO THE MEETING ON THURSDAY
