

Dear Sisters and Brothers,

The first week of bargaining has come to an end, and the company has only passed retrogressive proposals. While the Union proposals were to improve the benefits and working conditions of the members.

We need members to be vigilant, fired up and mobilized. Work to rule, be safe, and stay hydrated. Remember to wear red on Thursdays and sign up all non members. Change your profile picture on slack to a CWA logo. A wall of CWA logos across our communication platforms sends a message “We are paying attention, we are organized and we stand together.

In Unity,

Your 2026 CWA Bargaining Team
