CWA Local 6171 – Valor Unit Group Bargaining Committee Report

The bargaining committees met for a morning session this weekend to have discussion on what it would take to close the gaps on some of the major items that are still open. Both sides expressed their desire to have a deal completed by contract expiration at the end of the month. These exchanges are an important part of the bargaining process as both sides work to understand each other's positions and identify areas where movement may be possible.

The bargaining team is encouraged to see pictures of members wearing their Red shirts in the field. Please continue to share photos with your Local leadership so that we may feature them on the website shortly.

Remember to wear **RED** on Thursdays, Stay United and sign up all non members.

In solidarity,
Your 2026 Bargaining Team
