July 28, 2026

### CWA Local 6171 – Valor Unit Group Bargaining Committee Report

The Union and the Company met for two bargaining sessions today. During these meetings, the Union presented proposals that reflect the priorities and concerns identified by our membership. While progress can sometimes be slow, our bargaining team remains committed to advocating for a fair contract that recognizes the value of our members. Your continued support and solidarity are essential as negotiations continue. The bargaining team continued working through the evening to assess the proposals submitted by the Company the day before.
