CWA Local 6171 – Valor Unit Group Bargaining Committee Report

Per the Union's request, there was no morning session today, allowing additional time to gather further information regarding current proposals. In keeping with our twice-daily meeting schedule, the bargaining teams reconvened in the afternoon and evening. These discussions were productive, and we successfully narrowed the gaps on several smaller items currently still open at the table.

The bargaining team is encouraged to see pictures of members wearing their Red shirts in the field. Please continue to share photos with your Local leadership so that we may feature them on the website shortly.

Remember to wear **RED** on Thursdays, Stay United and sign up all non members.

In solidarity,
Your 2026 Bargaining Team
